Re: Main Street Initiatives Streetscape Amenities Grant Agreement

Dear Mr. Deppe;

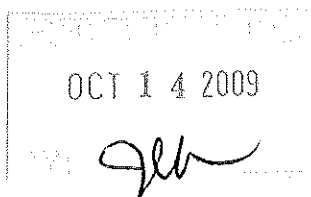

Thank you for participating in the Main Street Initiatives Grant Program by submitting a Streetscape Amenities Grant to be used to fund your improvements at Ontelaunee Park. We are delighted to inform you that \$3,500.00 of funds to financially support this project has been conditionally approved. Enclosed are three copies of the Streetscape Amenities Grant Agreement. Kindly sign all agreements and return them to us by Wednesday, 21. Final approval must come from the County Commissioners and so as not to delay your efforts any further I will present all applications received at their meeting on October 28. Once this process is complete County Executive Cunningham will sign them and I will return one fully executed agreement to you for your records. You may then begin your project.

Please note the Streetscape Amenities Grant is a reimbursement grant; therefore, in order to receive the promised funds we will need to have copies of paid invoices and cancelled checks (as referred in page one, number 4 of the Streetscape Amenities Grant Agreement).

Thank you once again for participating in this program and we are proud to partner with Lynn Township in your revitalization efforts! If you have any questions regarding this, feel free to contact me at 610-782-3809.

Sincerely,

Virginia M. Savage
